I spoke with Alexis about this today. She puts together an email every Thursday and sends to the political team in Washington. She would like to provide the issue paper to the team through the mechanism of her Thursday email. FYI, yesterday, we hosted Ken Wagner, who is a newly installed political serving as a Regional Liaison to the Administrator. She gave Ken a heads up on this issue when he was here yesterday.

We had created a one-pager on this to put in a briefing book for our new (anticipated) RA. We can dust off that paper and add the latest info.

One follow up thought: would also appreciate your thoughts on who should forward an issue paper...OW, OECA, or R9....

Thanks, Rob

Very helpful; I appreciate the update. Given the visibility, I think we need to provide a status update to Byron; perhaps a one page issue paper. I will vet whatever you all draft with OW here before anything is sent forward by either of us.

Thanks, Rob

My first read of the letter led me to check in with Mindy Eisenberg (OW) who indicated that Jason Brush (I assume he's in your OW section?) is coordinating, so please, if appropriate, loop him in as well.

Kelly and Tom are out today, but Elaine and I could be available before noon (est); I have to head over to CEQ NLT 12:30.

It would be helpful if you have the following and can send in advance:

- ? Our DEIS and FEIS comments letter
- ? The letter R9 sent to USACE regarding the 404 permit concerns
- ? A summary of discussions R9 and USACE's DE have had since then, and where both agencies stand on a response to the State rebuttal

If you all have an outline of a proposed way ahead, that would also be helpful. I'll also look for you all to signal to me/Mindy that engagement with USACE HQ would be helpful.

Thanks, Rob

I don't think Kelly will be in, but yes, let's discuss.

Hi Rob-

Thanks for the conversation today. I know you are all are juggling a lot – I think it helps for staff to hear the context. On another note, I'm checking in on Rosemont. We received a copy of a letter sent to Administrator Pruitt from AZ governor and there are few other things going on related to the project. Are you and Kelly available tomorrow to speak with me and Kathy Goforth.

Thanks
Nicole
